

Become a CALAFCO Associate Member

Associate membership has its privileges!

Not only does it provide access to a wide range of CALAFCO resources and events, but associate member support is crucial to enhance the educational mission of the Association.

Businesses, agencies, associations, and others interested in the goals and work of LAFCo value their CALAFCO associate membership.

Besides supporting the work of CALAFCO, associate members benefit from exposure to the Commissioners and staff of the member Local Agency Formation Commissions, and participation in learning and networking opportunities.

Working to encourage orderly growth

CALAFCO Mission:

CALAFCO provides educational, information sharing and technical support for its members by serving as a resource for, and by collaborating with, the public, the legislative and executive branches of state government, and other organizations, for the purpose of discouraging urban sprawl, preserving open-space and prime agricultural lands, and encouraging orderly growth and development of local agencies.

CALAFCO

CALAFCO Associate Membership

CALAFCO was created in 1971 as a statewide non-profit organization providing educational, technical, and specialized services to its members. Members include the staff and elected officials from all 58 Local Agency Formation Commissions.

Conferences, workshops, newsletters and electronic updates are among the benefits members enjoy throughout the year.

If you are interested in issues of urban growth and sprawl, local governance, agricultural and open space preservation, and effective municipal services — CALAFCO is a resource.

Changes in state law not only altered the role and responsibilities of LAFcos, but mandated that new studies, such as municipal service reviews, be conducted. With limited staff, LAFcos often rely on consultants to draft many of these fiscal and policy studies. Associate members are an important source for LAFcos and community groups to turn to for assistance with studies and services.

Conferences and workshops provide exceptional educational and networking forums

Associate membership is available at two levels: Gold and Silver. This provides options depending on interest in exposure and ability to support CALAFCO activities.

Membership runs for a full year from the date of receipt of the membership application.
