

# **CALAFCO 2022 Legislative Policies**

*As adopted by the Board of Directors on November 12, 2021*

## **1. LAFCo Purpose and Authority**

- 1.1. Support legislation that enhances LAFCo authority and powers to carry out the legislative findings and authority in Government Code §56000 et seq. Oppose legislation that diminishes LAFCo authority.
- 1.2. Support authority for each LAFCo to establish local policies to apply Government Code §56000 et seq. based on local needs and conditions. Oppose any limitations to that authority.
- 1.3. Oppose additional LAFCo responsibilities that require expansion of current local funding sources. Oppose unrelated responsibilities that dilute LAFCo ability to meet its primary mission.
- 1.4. Support alignment of responsibilities and authority of LAFCo and regional agencies that may have overlapping responsibilities in orderly growth, agricultural and open space preservation, and municipal service delivery. Oppose legislation or policies that create conflicts or hamper those responsibilities.
- 1.5. Oppose grants of special status to any individual agency or proposal to circumvent the LAFCo process.
- 1.6. Support individual commissioner responsibility that allows each commissioner to independently vote his or her conscience on issues affecting his or her own jurisdiction.

## **2. LAFCo Organization**

- 2.1. Support LAFCo independence from local agencies.
- 2.2. Oppose the re-composition of any LAFCo to create special seats and recognize the importance of balanced representation provided by cities, the county, the public, and special districts in advancing the public interest.
- 2.3. Support representation of special districts on all LAFCos in counties with independent districts and oppose removal of special districts from any LAFCo.
- 2.4. Support communication and collaborative decision-making among neighboring LAFCos when growth pressures and multicounty agencies extend beyond an individual LAFCo's boundaries.

## **3. Agricultural and Open Space Protection**

- 3.1. Support legislation that clarifies LAFCo authority to identify, encourage and ensure the preservation of agricultural and open space lands.
- 3.2. Encourage a consistent definition of agricultural and open space lands.
- 3.3. Support policies that encourage cities, counties and special districts to discourage development on all types of agricultural lands, including prime agricultural lands and open space lands.
- 3.4. Support policies and tools that protect all types of agricultural lands, including prime agricultural lands and open space lands.
- 3.5. Support the continuance of the Williamson Act and restoration of program funding through State subvention payments.

**4. Orderly Growth**

- 4.1. Support the recognition and use of spheres of influence as a planning tool pertaining to growth and development, and the preservation of agricultural and open space lands.
- 4.2. Support recognition of LAFCo spheres of influence by other agencies involved in determining and developing long-term growth and infrastructure plans.
- 4.3. Support orderly boundaries of local agencies and the elimination of islands within the sphere of influence and boundaries of agencies.
- 4.4. Support communication among cities, counties, special districts, stakeholders and affected parties through a collaborative process that resolves service, infrastructure, housing, land use, and fiscal issues, prior to application to LAFCo.
- 4.5. Support cooperation between counties and cities on decisions related to development within a city's designated sphere of influence.
- 4.6. Support cooperation between cities and special districts on decisions related to development within city and district spheres of influence that overlap.
- 4.7. Support the recognition of extreme natural disasters and disaster preparedness when considering growth and service delivery issues.

**5. Service Delivery and Local Agency Effectiveness**

- 5.1. Support the use of LAFCo resources to review Regional Transportation Plans, with a focus on sustainable communities strategies and other growth plans to ensure reliable services, orderly growth, and conformity with LAFCo's legislative mandates. Support efforts that enhance meaningful collaboration between LAFCos and regional planning agencies.
- 5.2. Support LAFCo authority as the preferred method of local governance. Support the availability of LAFCo tools that provide options for local governance and efficient service delivery, including the authority to impose conditions that assure a proposal's conformity with LAFCo's legislative mandates.
- 5.3. Support a deliberative and open process for the creation or reorganization of local governments that evaluates the proposed new or successor agency's long-term financial viability, governance structure and ability to efficiently deliver proposed services.
- 5.4. Support the availability of tools for LAFCo to insure equitable distribution of revenues to local government agencies consistent with their service delivery responsibilities.
- 5.5. Support legislation and collaborative efforts among agencies and LAFCos that encourage opportunities for sharing of services, staff and facilities to provide more efficient and cost-effective services.

## **2022 Legislative Priorities**

### **Primary Issues**

---

#### **Authority of LAFCo**

Support legislation that maintains or enhances LAFCo's authority to condition proposals in order to address any or all financial, growth, service delivery, and agricultural and open space preservation issues. Support legislation that maintains or enhances LAFCo's ability to make decisions regarding boundaries and formations, and to enact recommendations related to the delivery of services and the agencies providing them, including changes of organization and reorganizations.

#### **Agriculture and Open Space Protection**

Support policies, programs and legislation that recognize LAFCo's mission to protect and mitigate the loss of all types of agricultural lands, including prime agricultural lands and open space lands and that encourage other agencies to coordinate with local LAFCOs on land preservation and orderly growth. Support efforts that encourage the creation of habitat conservation plans.

#### **Water Availability**

Support policies, programs and legislation that promote an integrated approach to water availability and management. Promote adequate water supplies and infrastructure planning for current and planned growth and disadvantaged communities, and that support the sustainability of all types of agricultural lands, including prime agricultural lands and open space lands. Support policies that assist LAFCo in obtaining accurate and reliable water supply information in order to evaluate current and cumulative water demands for service expansions and boundary changes. Such policies should include the impacts of expanding water company service areas on orderly growth, and the impacts of consolidation or dissolution of water companies providing services.

#### **Viability of Local Services**

Support policies, programs and legislation that maintain or enhance LAFCo's ability to review and act to determine the efficient and sustainable delivery of local services and the financial viability of agencies providing those services to meet current and future needs including those identified in regional planning efforts such as sustainable communities strategies. Support legislation that provides LAFCo and local communities with options for local governance that ensures efficient, effective, and quality service delivery. Support efforts that provide tools to local agencies to address aging infrastructure, fiscal challenges, declining levels of services, and inadequate services to disadvantaged communities.

## **Issues of Interest**

---

### **Housing**

Provision of territory and services to support housing plans consistent with State affordable housing mandates, regional land use plans and local LAFCo policies.

### **Transportation**

Effects of Regional Transportation Plans and expansion of transportation systems on future urban growth and service delivery needs, and the ability of local agencies to provide those services.

### **Flood Control**

The ability and effectiveness of local agencies to maintain and improve levees and protect current infrastructure. Carefully consider the value of uninhabited territory, and the impact to public safety of proposed annexation to urban areas of uninhabited territory at risk of flooding. Support legislation that includes assessment of agency viability in decisions involving new funds for levee repair and maintenance. Support efforts that encourage the creation of habitat conservation plans.

### **Adequate Municipal Services in Inhabited Territory**

Consistency of expedited processes for inhabited annexations with LAFCo law that include fiscal viability. Promote environmental justice for underserved inhabited communities, funding sources should be identified for extension of municipal services, including options for annexation of contiguous disadvantaged unincorporated communities. Support policies, programs, and legislation that would provide adequate municipal services to disadvantaged communities. Promote the delivery of adequate, sustainable, efficient, and effective levels of municipal services through periodic updates and reviews of Municipal Service Reviews, Spheres of Influence, and related studies prepared by LAFCOs.

### **Climate Adaptation**

The ability and effectiveness of local agencies to proactively and effectively address issues that impact municipal service infrastructure and service delivery that include sea level rise, sand erosion, and levee protection. Adequate resources for local agencies to prepare for and appropriately respond to extreme disasters related to climate change. Ensure local agencies are considering climate resiliency when considering future development.
