B. Background
San Luis Obispo LAFCO is an independent public agency with a county-wide jurisdiction. Created by State law, the agency oversees changes to local government boundaries involving the formation and expansion of cities’ and special districts’ boundaries in San Luis Obispo County. The State established a LAFCO for each County with the purpose to encourage the orderly and logical formation of local government agencies, preserve agriculture and open space lands, and discourage urban sprawl. The enabling legislation is contained in the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (CKH Act) and amendments.

Policy direction for SLOLAFCO is provided by a seven-member Commission composed of two members from the Board of Supervisors, two members from city councils, two members for special district boards, and one member of the general public. Additionally, for each category represented on LAFCO, there is an alternate member. The Executive Officer reports directly to the Commission and performs all duties necessary for the proper and efficient management of LAFCO, as determined by the Commission and State law. A small professional staff of three (including the EO) provides support to the Commission. The Commission’s annual work plan, meeting agendas, staff reports, policies and procedures, and other information are posted on the agency’s website: SLOLAFCO.com. Typically, LAFCO has 9-10 meetings each year. The length of the meetings depends on the issues being considered and the complexity of the matters.
