Summary: Under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, current law requires that an applicant seeking a change of organization or reorganization submit a plan for providing services within the affected territory that includes, among other requirements, an enumeration and description of the services to be extended to the affected territory and an indication of when those services can feasibly be extended. This bill would specify that the plan is required to also include specific information regarding services currently provided to the affected territory, as applicable, and make related changes.

Position	Subject
Sponsor	Annexation Proceedings

CALAFCO Comments: *This bill makes a fix to Gov. Code Sec. 56653 based on the court finding in the case of The City of Patterson v. Turlock Irrigation District. The court found that because the services were already being provided via an out of area service agreement, the application for annexation was deemed incomplete because it was not a new service to be provided. By making the fix in statute, any pending/future annexation for a territory that is already receiving services via an out of area service agreement will not be in jeopardy.*

As amended, corrections were made to: 56653(b)(3) reading "proposed" rather than "provided", and in Government Code Section 56857 an exemption added pursuant to Public Utilities Code Section 9608 for territory already receiving electrical service under a service area agreement approved by the Public Utilities Commission pursuant to Public Utilities Code Section 9608.

Summary: Current law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the sole and exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts and makes related findings and declarations. This bill would make nonsubstantive changes to those findings and declarations.

CALAFCO Comments: *Currently in spot bill form, this bill is co-sponsored by CALAFCO and CSDA. The intent is to amend code Sec. 56332.5 to streamline the process of seating special districts on LAFCo by mirroring current statute 56332 (the process for electing special district representatives into the special district seats). Keeping the process voluntary, it allows for voting by mail whether or not the district wants to have special districts represented on LAFCo. Further, it will allow for the consolidation of that question with the independent special district selection committee appointment to a countywide redevelopment agency oversight board pursuant to Health and Safety Code 34179 (j)(3).*

Calendar: 4/3/2017 10 a.m. - John L. Burton Hearing Room (4203) SENATE APPROPRIATIONS, LARA, Chair

Summary: Beginning with the 2004–05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2017–18 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

CALAFCO Comments: *This bill is identical to SB 817 (Roth, 2016), SB 25 (Roth, 2015) and SB 69 (Roth, 2014) with the exception of the chaptering out language included in the 2016 version (which addressed the companion bill AB 2277 (Melendez, 2016)). The bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2017/18 year for cities that incorporated between 1-1-2004 and 1-1-2012.*

Summary: The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts, as specified, and defines various terms for these purposes. CALAFCO Comments: *This is a spot bill. According to the author's office, they have been working with the State Controller's office on the clean-up of inactive districts (both dependent and independent). CALAFCO was not contacted by the author's office, but has talked with them since the bill's introduction. CALAFCO understands the author has submitted amendments to Leg Counsel although we have not yet seen those amendments. We are working with the author's office to properly define "inactive district" and to help streamline the process of the dissolution of districts identified as inactive where it makes sense to take that action.*

Summary: Under current law, if a change of organization consists of a dissolution, the commission is required to order the dissolution subject to confirmation of voters if, among other things, the proposal was not initiated by the commission and if a subject agency has not objected to the proposal, the commission has found that, for an inhabited territory protests have been signed by either 25% of the number of landowners within the affected territory who own at least 25% of the assessed value of land within the territory or 25% of the voters entitled to vote as a result of residing or owning land within the affected territory. This bill would decrease that threshold to 10% of the number of landowners within the affected territory who own at least 25% of the assessed value of land within the territory or 10% of the voters entitled to vote as a result of residing or owning land within the affected territory.

This bill would require the lead agency to post those notices on the agency's Internet Web site. The bill would require the agency to offer to provide those notices by email.
