

2018 CALAFCO MOBILE WORKSHOP TREE MORTALITY

WEDNESDAY, OCTOBER 3 • 7:30 am – 12:30 pm

BUS LOADS AT 7:15 A.M. AND DEPARTS TENAYA LODGE PROMPTLY AT 7:30 A.M.

See first hand the devastation and impact of tree mortality.

Speakers include: Madera County Supervisor Tom Wheeler, Brittany Dyer, District Chief of Staff to Supervisor Wheeler (both members of the Governor's Tree Mortality and Forest Health Task Forces), Len Nielsen, VMP, SRA Grants & CEQA Southern Region Coordinator, CAL FIRE and Denise Tolmie USDA-Forest Service, Sierra National Forest, District Ranger. We are scheduled to make our way around Bass Lake, beginning at the southern entrance to Yosemite Park. During our journey we will stop at various locations to discuss the issue of tree mortality, hearing from federal, state and local officials on the far-reaching impacts including environmental and economic. The various stops will also allow for a variety of interesting views, including a visit to the hydrological dam. We will end back at Tenaya for a scrumptious BBQ picnic lunch. Dress in layers. Light walking is required, so please wear closed toe and closed back flat shoes (such as tennies or hiking boots).

Cost: \$50 per person includes lunch

**Note: Workshop is currently fully booked,
contact us for wait list.**
